# Amritanshu Verma

D&T Analyst II - International Trade @ General Mills India | Scrum
Master (CSM) | Stakeholder Management
Mumbai, Maharashtra, India

## Summary

As a D&T Analyst II, I focus on collaborating with vendors like
E2open and Accenture to develop and maintain data pipelines and
ensure seamless software implementations. My expertise in Agile
methodologies supports efficient prioritization and delivery for key
North American retailers, including Walmart and Target.

Leveraging competencies in stakeholder management and strategic
planning, I aim to foster innovation and operational excellence in
global trade processes.

———

## Experience

### General Mills India
D&T Analyst II - International Trade
February 2024 - Present (1 year 9 months)
